

# MSCB Basic Awareness in Child Protection

The MSCB is pleased to announce **new dates** for the **one day** Basic Awareness Course in Child Protection. This course is available for all practitioners from all Medway agencies and organisations.

## Aims

**To increase awareness of child protection and safeguarding issues within Medway**

## Objectives

**By the end of the course participants will be able to:**

- **Demonstrate an awareness of anti-discriminatory practice within the context of child protection**
- **Identify common signs and indicators of child abuse**
- **Demonstrate an understanding of their own and others role and responsibilities in the protection of children;**
- **State the child protection process to be followed within the Medway Safeguarding Children Board if they are concerned about a child.**
- **Specify some of the barriers to effective inter professional Communication**

**Trainer/Facilitator  
MSCB Training Pool**

Unfortunately, parking is not available to delegates at Gun Wharf. However, parking is available within a short walk. Lunch is not provided but delegates are welcome to use the on-site café facilities.
